President's Message

Dear Chapter Members,

I am so excited to be joined with a fantastic group of Board Members. We have quite a few new faces on the board this year. Please welcome Clint Christianson for Vice President, Roger Nachtigal for Secretary, Jeremy Bergeron for Programs, Kevin Hunt for Membership, Jim Roll for Social and Hannah Delagardelle for Sponsorship. These people will be great additions to our board as we look forward to this coming year.

With a new board and a new fiscal year come many new opportunities for membership to really become involved in our chapter. There are so many wonderful opportunities for our chapter but we can't reach them all without support from the membership. Please reach out to one of the board member because we need committee members. Some of the opportunities for committee members are; Social (Jim Roll), Membership (Kevin Hunt), Programs (Jeremy Bergeron), COFAX (Mura Golden) and many more.

The Zoo tour was a success thank you to all that attended and to Kelli Costa and her team for the planning of the event. It was very interesting to see all the up and coming exhibits and the behind the scenes work that is needed to get them started.

We have received the statistics back from the survey and will be posting them on the website. If you were not able to complete your survey it would be great if you could take a minute and do so. We REALLY WANT YOUR OPINIONS! This is your chapter and we want to provide all that we can for you. The link will be up until the end of the month and I hope you will take a minute to fill out the survey.

This month we have Gerald Lockhart speaking on Disaster preparation and recovery. This is an appropriate topic for our community after the recent fire disasters that we are still recovering from. I hope you will be able to attend.

Sincerely,
Mura Golden
Chapter President

A Note From Your Past President

As you read this I am no longer your Chapter President. Mura Golden will have taken over the reins and I know she will be an excellent leader for the Chapter. I would like to take this opportunity to thank everyone for the past support I received and request that you give the same and more to the new Board. THANK YOU.

On a different subject. We all know the economy has been difficult the past years and that some of our members have had to change jobs or have lost jobs and therefore are out there looking for employment.

I am asking that if your employer has open positions that you let us know. We can then make them known to those of our membership that are out there searching. It does seem as if things are turning the corner. I know of a number of job changes that are going on in the community and of potential openings. Please help your fellow IFMA members by letting us know of opportunities out there.

Sincerely,

Jerry Ludke, Past President
