Mission Statement:

To advance the professional growth of our members and develop the profession.

President's Message

Pikes Peak IFMA Chapter,

Happy Mid-Winter fellow members...

Unfortunately, I was not able to attend the Holiday Social event early January at the Cliff House in Manitou Springs, but from all reports the social time, dinner and white elephant was a fun and relaxing time for our members and their guests.

Upcoming local chapter information includes combined the combined IFMA/ BOMA/ IREM meeting in March, COFAX in April, IFMA auction tentatively in July, and we're planning for a summer social event to be announced at a later date.

Remember today's IFMA luncheon and education meeting at Biaggi's...social time 11:30am, lunch served 12:00pm, Davey teaches us about tree care 12:15pm. Adjourned 1:00pm.

Our January sponsor is TECC Painting. I have used TECC painting for a couple years now for painting the 15 commercial properties I oversee and TECC has provide excellent, professional, quality services. Try them on your next painting project.

Programs

Tree Pest Management in Colorado

Come listen to a presentation about a variety of pests in Colorado that can affect the trees on your property. Learn about how to determine the value of your property's trees and the importance of a tree maintenance program. Emphasis will be placed on the Emerald Ash Borer, which was found in Colorado during the fall of 2013, and how to start planning for this new pest which has been deemed to be the new definition of an aggressive tree killing pest in North America.

Date:	January 15th, 2013
Time:	11:30 AM – 1:00 PM
Location:	Biaggi's 1805 Briargate Parkway Colorado Springs, CO 80920
Presented by:	Stephanie Burnett, Business Development Manager, Davey Rick Silverberg, Branch Manager and ISA Arborist, Davey

Stephanie Burnett recently joined Davey in the Summer of 2013, moving to Colorado from Upstate New York. Her professional background is in business sales, marketing, & networking.

Rick Silverberg has been with Davey for 4 years and has 30 years of experience in the green industry. He is a certified ISA Arborist (International Society of Arboriculture) and is a Qualified Supervisor for Pesticide Application with the Colorado Department of Agriculture.
