## Programs

# Insurance

### A Note from Programs:

Well August has come on gone and we say goodbye to summer and we start looking towards our fall schedule. We have some great speakers lined up for the fall quarter. September brings us Dan Bowers for our topic choosing the right insurance for your facilities, an important topic for every Facility Manager. October brings in Bob Sobota, a Colorado Springs based representative, with Fisher Lighting and Controls, and he will speak on the topic of LED lighting technology. In November we are working on meeting the Mayor elect for a question and hopefully answer time.

Programs is working on bring you a professional members breakfast starting in October. This will be a round table discussion forum highlighting topics that are affecting our facilities. I'll have more details in the coming weeks.

If you would like to be a part of the Programs Committee, please contact Dan Davidson, Programs Chair at 719-651-1903 or at [dand@springsrescuemission.org](mailto:dand@springsrescuemission.org)

Remember, A Facilities Manager is like regular Manager in title, but we are much Groovier!

Looking forward in see you all soon,

Dan Davidson
